Minutes for April 16, 2011 PCC General Board Meeting

Meeting opened by Co-Presidents' Report Terry DeBell & Dorothy Juarez Fulco

Cheryl Bright, LDC Executive Director, gave update on staffing, on-hold consolidations, LDC census.

PCC Members of Resident Transition Advisory Group acknowledged and thanked (Anna Agopian, Jackie Bayer, Brian Boxall, Terry DeBell, Dorothy Fulco, Norman Fulco, Ann Grivich, Jim Grivich, and Sunny Maden)

Overview of Development of Resident Transition Process given by Julia Lowe, Program Operations, Developmental Center Division, DDS. Resident Transition Guidelines are currently under additional review by DDS legal after further input and expressed concerns from PCC.

Lanterman staff, DDS staff, and PCC RTAG members assisted in presentation and review of following documents:

*Transition Plan and Individual Health Transition Plan
Transition Activities*

Additional input from meeting attendees –

Documents should be posted on website for public access. (Now posted on dds.ca.gov website under Lanterman Developmental Center.)

Form should be developed for use by RC, RRDP, Providers that specify what type of residence is appropriate for each individual resident – medical model, behavioral, access to yard, level of licensed staff, proximity to family, etc.

Additional comments against closure of Lanterman, and questions on why Lanterman is closing, addressed in context of meeting and privately by DDS representatives.

Meeting was tape-recorded and tape may be reviewed upon request of PCC Office
